2, 4, 8

RRP

£10.99, £19.99, £34.99

Legal Status

(P), (P), (P)

**Uses**

Indicated in adult men with erectile dysfunction, which is the inability to achieve or maintain a penile erection sufficient for satisfactory sexual performance.

**Format and Ingredients**

Blue, rounded diamond-shaped tablet, marked PFIZER on one side and V50 on the other, containing:

Sildenafil 50mg,

**Dosage**

Adult men: 1 tablet with water approximately one hour before sexual activity. Maximum recommended dose frequency is once per day. If taken with food the onset of activity may be delayed compared to fasted state. Users may need to take a number of times on different occasions before they can achieve a penile erection satisfactory for sexual activity. In order for Viagra Connect to be effective, sexual stimulation is required.
