Uses

Format and Ingredients

Liquid containing:

12 essential oils (rosewood, roman camomile, cypress, lavender, mandarin, marjoram, neroli, orange, palmarosa, petitgrain, sandalwood and vervain)

Dosage

Spray in the four corners of the room. It may also be sprayed on a tissue placed on the bedside table. Not recommended for use in the presence of children under 1 year old – wait 30 minutes before returning the child to the room.
