## Uses

## Format and Ingredients

Liquid containing:  
  
12 essential oils (rosewood, roman camomile, cypress, lavender, mandarin, marjoram, neroli, orange, palmarosa, petitgrain, sandalwood and vervain)

## Dosage

Spray in the four corners of the room. It may also be sprayed on a tissue placed on the bedside table. Not recommended for use in the presence of children under 1 year old – wait 30 minutes before returning the child to the room.
