**Category**

Female Health and
Genitourinary

Manufacturer

BAYER PLC

Pack size

7 applicators

RRP

£13.69

Legal Status

MD

**Uses**

For the effective relief from the symptoms of bacterial vaginosis such as unpleasant odour, abnormal discharge and discomfort. Restricts the growth of bad bacteria and supports the growth of good bacteria (Lactobacillus) to restore the natural environment.

**Format and Ingredients**

Single use internal applicator containing:

Lactic Acid, Glycogen, Propylene glycol, Methylhydroxypropyl Cellulose, Sodium Lactate, Water (pH3.8),

**Dosage**

Women: one tube daily, used before bedtime, for 7 days. Safe to use during pregnancy but a doctor should be consulted if a vaginal infection is suspected. Use should be avoided if trying to conceive. Children: not to be given.
