### Category

Cough, Colds and Sore

**Throat** 

Manufacturer

CHURCH & DWIGHT UK

LTD

Pack size

20ml

RRP

£8.99

**Legal Status** 

MD

Decongests and soothes the nasal passages in the event of colds and sinusitis. Liquifies and clear thick mucus. Forms a protective invisible film which acts as a barrier against external causes responsible for cold symptoms and sinusitis.

## **Format and Ingredients**

Nasal spray containing:

100% natural sea water based solution (hypertonic solution enriched with copper and eucalyptus oil),

### Dosage

Adults and children from 3 years: use at the first sign of a cold or sinusitis. Apply 2 sprays into each nostril up to 6 times a day. Suitable for pregnant and breastfeeding women.
